No Knock Registry Request Form

The purpose of the "No Knock" Registry is to provide relief to Borough Residents who do not wish to be solicited, hawked, inquisitioned, and generally disturbed by Commercial Solicitation, Peddlers, Charitable Solicitation and Canvassing. It is intended to provide an option to Borough Residents to protect their privacy, and personal property, by including their residence on the registry and thereby curtail unwanted solicitation at their place of residence. The registry will consist of a listing, alphabetically by street with the street number and street name of all residences that have requested to be included on the registry. No names or other personal information shall be included on the registry. Residents should also place one small sign or notice stating "no soliciting" on their premises. A residence will remain on the registry until a request is made in writing to the Borough Clerk, to have such residence removed from the registry.

I wish to have my place of residence included on the Borough of Mountainside's "No Knock" Registry.
